Deserving Praise.

We desire to say to our citizens, that for years we have been selling Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given such universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. Those remedies have won their great popularity purely on their merits. Mertz & Hale, Druggists.

ASKING AID.

Many Families in Cooper County Rendered Destitute by the Great Storm Last Sunday Afternoon—Sedalia's Respond.

The ravages of the rain, hail and wind storm in the southern part of Cooper county last Sunday afternoon were terribly distressing and many farmers, who had fine fields of wheat and oats and corn, saw their crops dashed to ruin in a few minutes.

Yesterday, circulars from Bunceon were received in Sedalia. The employees of the Equitable Loan and Investment association were among those who responded, they making up a very considerable purse.

The circulars read as follows:

BUNCEON, Mo., June 29, 1892

The vicinity of Bunceon, Cooper county, Mo., has just been visited by a fearful cyclone, which has laid waste a large area, entirely wiping out of existence miles and miles of fine crops, destroying houses, and the labor of years. There are a great many families in this district that have been left entirely destitute, and are in great and pressing need. Can you not help them? We ask only a small thing from you. It will cost you only a dime, a few stamps, and a little time. The plan, which is not a new one, is this:

When you receive this letter please make three copies of it, numbering each copy with the next higher number to the one at the top of this page. Send a dime to the bank of Bunceon, Bunceon, Mo., together with the names of the three friends to whom you have addressed the three copies of this letter and ask them to do the same as you have done. Send your letters to those who you think will take enough interest in their fellows to do this little thing for them.

Let the watchword be "for Charity's sake," and let your work be sure and speedy, for there are many hungry mouths waiting on you.

Can't you send us something to assist the worse cases. It is badly needed, and will be appreciated and placed where it will do most good, by a committee.

BEAUTY AND MERRIMENT.

The Home of Dr. A. V. Small the Scene of a Brilliant Society Event—Prizes Awarded to Cake-Walkers.

The home of Dr. A. V. Small, corner Sixteenth and Kentucky streets, was the scene of much mirth and enjoyment last night, occasioned by a lawn fete and cake walk given by Miss May Small. The lawn was beautifully decorated with numerous Chinese lanterns and headlights, which illuminated the grounds as bright as day.

As early as 7:30 o'clock the answers to the invitations began to arrive and in a short time the throng numbered 150 guests. Many of the ladies were attired in full evening dress and their beauty was quite captivating. The interior of the house was exquisitely decorated with flowers, when ice and coffee were served. The cake walk, the event of the evening, was indulged in by all, for the most graceful and artistic lady and gentleman walker.

The gentleman judges were: John Cantwell, Henry Lamm, F. E. Hoffman, Dr. A. V. Small, Col. J. D. Crawford, Dave Temple, Aug. Fleischman, J. R. Barrett, Capt. Demuth, J. M. Offield and C. C. Wells.

The judges for the gentlemen were Mrs. Henry Lamm, Mrs. F. E. Hoffman, Mrs. Louis Hoffman, Mrs. J. D. Crawford, Mrs. August Fleischman, Mrs. Harry Demuth, Mrs. C. E. Wells, Mrs. E. J. Small, Miss Kate Roux, Miss A. V. Small, Mrs. Temple, Mrs. C. E. Messerly, and Mrs. Louis Beck.

The first prize for the most graceful lady walker, a cake, was awarded to Miss Phe Heighlyman. The second, a hand-painted bon bon box, for the most artistic walker, was awarded to Miss May Hawkins.

The ladies who acted as judges awarded a chocolate cake to Mr. George Menefee, as the most graceful gentleman walker, as first prize.

The second prize was awarded to Mr. Ernest Lamy as the most artistic gentleman walker—a silver paper-holder. The walk for second place was a tie between Mr. Lamy and Charles Ittel, and after much consideration it was finally settled and awarded to Mr. Lamy.

Music was furnished by the colored orchestra, who rendered regular cake walk music.

Gilbert Rickett, intoxication, \$5.

Young Perry's father appeared in court and stated that he had tried to keep his son away from the pool room but with-out avail.

Ike Palmer, colored, was charged with the same offence and paid a like fine.

Florence Jackson, Mandy Givens, Maggie Britt and Will Siebe were arraigned for lewd conduct. Their trial was set for next Wednesday.

George Walker, intoxication, \$5, with a stay to leave town in twenty minutes.

—Many of the noted Sanitariums and famous health resorts, are using Garfield Tea in their treatment of consumption and female weakness.

SUNDAY AT THE Y. M. C. A.

Boys meeting at 2:15 will be made bright and interesting to the boys. All boys are invited; men's meeting from 3 to 3:45. An address on "The Wonderful Book" will be given by Rev. A. H. Stevens. This will be the second of a special series on this subject. Lemonade will be served this Sunday. All men are invited.

—Messrs. Dick Olmsted and Tom Pien, who have the contract of grading Third street has been pushing the work rapidly, using a good force of men and teams and taking advantage of every seasonable hour for work. He is also pushing the Pat McEnroe street work and will have it completed this week. He doesn't propose to delay matters so far as his part of the contract is concerned.

—Sedalia generally marches at the head of the procession, and last night was no exception to the rule, for she began the celebration of the national holiday, which, in reality, does not come until Monday, by a liberal display of pyrotechnics along Ohio street. The small boy was also humorously abroad and made the air sulphurous and rattling with fire-crackers. The demonstration was in the nature of a fiery welcome to the Fourth.

—Rev. G. W. Miller, D. D. of Kansas City, addressed a fair audience at the First M. E. Church, corner of Fourth and Osage streets, last Friday night, upon the subject of "Pluck." The doctor, who is an able speaker, discoursed in a most eloquent manner, directing his remarks to the young especially. He began with the word "pluck" its definition and severed it in such a way that its pieces were distributed in all parts of his audience so the hungry youth after advice might parake thereof, not once in his talk did he advise his hearers to have nothing to do with it. It was essential in the every day life. Some often misconstrue the meaning, often let it conflict with "cheek" while the words are in no wise synonymous. The reverend gentleman made a good impression on his hearers and no doubt turned some mind from the wrong to right channel which in the end leads to unbounded success.

—The graves of the thirty-seven soldiers who fell on the battle-field of Tippecanoe, near Lafayette, Ind., were strewn with flowers last Sunday for the first time, it is said, since the battle was fought, in 1811.

BAZOO GOSSIP.

"A great many infants have been dying in neighboring cities during the last four weeks of cholera infantum, cholera morbus and kindred hot weather diseases," a well known physician said yesterday: "Fortunately, Sedalia has been comparatively free from these diseases so far. What the children need at this season is plenty of fresh air. They should not be put to bed in a hot room as soon as the sun goes down, but should be permitted to play in the shade for a while and then allowed to thoroughly cool themselves before going to bed."

—The season that political conventions are easily stampeded is because they always "view with alarm."—Boston Transcript
